Nelson Super Spot Tree Marking Paint

Resists settling, even after long storage. Requires minimal stirring or straining and helps eliminate plugged guns and wasted paint. High visibility, does not absorb into bark. Visibility of smaller marks, even at a distance,

1207
is greater than large marks with ordinary tree marking paints. Long lasting, no re-marking problems. Quality-controlled and carefully checked to assure consistent high quality. Solvent-based paint.

Wood Survey Stakes

1129

Durable, long-lasting stakes are cut from Southern yellow pine. Points are saw-formed to ensure all sides are equal so stakes drive straight.
