Contract 4427722

Dear Jaidyn Iovino-Jarocki:

It is time to make a decision regarding your term life insurance contract. Effective June 4, 2019 the initial term period will end. It is recommended that you discuss the following options with your Thrivent Financial Representative.

- Maintain the current coverage, which is renewable until age 95, by paying an increased premium each year. The new monthly premium for the upcoming year will increase from \$33.60 to \$229.59. **Withdrawals will continue from your financial institution account at this increased amount on the date you chose.**
- Apply for a new life insurance contract where you may qualify for a lower premium.
- Determine if you still have a need for this coverage. If not, you may surrender the contract by sending written notification.

If you have questions about your life insurance options, please contact Thrivent Financial representative Consuelo S Gallik FIC at 503-657-8524. You may also contact a member service professional who will be happy to assist you. Call 800-847-4836 and say "insurance" when prompted. Please have your Member ID and/or contract number available when you call.

Sincerely,
